SUMMARY:

Responsible for ensuring that all accounting activities in the Cage/Credit Division of the Finance Department are performed accurately and efficiently, in accordance with all applicable laws, rules and regulations of the Gaming Commission, Federal and State Tax Commissions, and established company policies, procedures and controls.

ESSENTIAL DUTIES AND RESPONSIBILITIES include the following:

- Protects casino cage assets by implementing accounting and documentation policies and procedures, monitoring transactions, and ensuring compliance with company internal controls, policies, procedures, laws and regulations.
- Oversee day to day operations of casino cage and credit departments.
Hire, supervise, train, evaluate work performance, coach, discipline, and schedule team members. Instruct cage personnel on proper procedures and performance of job duties. Approves credit for guests within his/her limits of authority; ensures that the collection and distribution of necessary credit information is handled accurately, efficiently and discreetly.
- Direct and coordinate activities of credit office to secure payment on outstanding markers and returned checks through proper established collection procedures.
- Develops, implements and directs departmental policies and procedures, which enable the Cage/Credit Division of the Finance Department to function more effectively.
- Maintains adequate staffing levels in the Cage/Credit Division of the Finance Department, by interviewing, selecting, training, scheduling, evaluating, assisting with career development, promoting, disciplining and terminating Associates, as needed.
- Ensures the integrity of all financial data produced by Associates under his/her span of control.
- Esures the best utilization of cash in all areas of the Cage and that these levels meet minimum bankroll requirements.
- Monitors all financial activities on property, which relate to Cage/Credit, to ensure that all applicable laws, rules, regulations and controls of the company, the Federal and State Tax Commissions, and the Gaming Commission are enforced throughout the property.

- Report and research any cage variance.
- Creates and administers departmental operating budget and budget controls.
- Establishes production standards and goals, and regularly evaluates departmental progress, revising standards and goals as needed.

- Develops, implements and directs departmental policies and procedures, which enable the Kiosk Division of the Finance Department to function more effectively. Develops and fine-tunes an effective system of keeping the Kiosk operational on all levels.
- Ability to apply commonsense understanding to carry out detailed but uninvolved written and oral instructions.

- Review departmental reports, to ensure accuracy, making revision as needed.
- Ensures a maximum level of property-wide service and satisfaction, with respect to the Cage/Credit Division of the Finance Department, is achieved and maintained.
- Facilitates the flow of information throughout the property, by organizing and presiding over regularly scheduled meeting with all Associates under his/her span of control.
- Held accountable, to a very high degree, for the accuracy and thoroughness of departmental records and reports.
