Tunica-Biloxi Tribe of LA Elders' Council Bringing smiles

If an elder in your family is celebrating a birthday, an anniversary, recovering from an illness, suffered a recent loss of a loved one or beloved family pet, or an elder needs a little encouragement, we want to hear from you. Sometimes, we need to be reminded that someone cares. Email your request to Andrea Espinoza at Elders@tunica.org or call 346-270-1495. A special card will be mailed to your beloved elder.
