TBED COLLEGE & CAREER NEWSLETTER

DIRECTOR'S NOTES

JOHN D. BARBRY
Director of Development
and Programming, &
Education Department

Please join us in welcoming Rachel Morales as our new Education Department Academic Counselor in Houston. Rachel brings a wealth of experience that will benefit our Texas students.

We encourage all of our Texas families to reach out to Rachel and discuss how we can better serve our children.

As we progress through this school year, TBED is striving to raise the academic bar for our students. There is much work to be done and we ask for your help.

COUNSELORS' CORNER

Leslie Carmouche

Dear Parents and Students,
As we enter November, it's necessary to reflect on our students' academic and social growth. Here are some key updates, advice for staying on track, and resources to support your child in and out of the classroom.

ACADEMICS:

Mid-Semester Check-In: November is a great time to review your child's progress. If you have concerns about your child's academic performance, now is the time to schedule a meeting with their teacher or contact me. We can work together to develop strategies to help your child succeed, whether they need help with reading, math, or social-emotional skills.

Encouraging a Growth Mindset: Remind your child that learning is a journey and making mistakes is part of growing. Celebrate their effort and progress, and encourage them to keep trying, even when something is difficult.

Supporting Learning at Home and with TBED: Parents, you play a crucial role in your child's academic success. Create a consistent homework routine, praise their efforts, and make learning fun by incorporating educational games and activities at home. TBED offers online and in-person tutoring to help with any concerns or struggles your child may be facing academically.

SOCIAL-EMOTIONAL LEARNING

Gratitude and Kindness: Parents, with Thanksgiving approaching, it is essential to focus on gratitude and kindness in our homes. Practicing gratitude not only helps students feel more positive but it also improves their relationships with others. Please encourage your child to talk about things they are grateful for daily, whether at school, at home or with friends.

Be a Good Friend: Students, remember to be kind to others. If you see someone feeling left out, invite them to play or sit with you at lunch. Helping others makes our school a better place!

Rachel Morales

Henii! (Hello!) My name is Rachel Morales, and I am honored to be welcomed into the Tunica-Biloxi Education Department as your new Texas Academic Counselor!

I look forward to working with you and your children to guide and help them with their education and academic future. Being in the field of education is my passion, and I am so grateful to give back to the Tunica-Biloxi community. This is a wonderful community that my husband, 2-children, Lucas and Maddie, and in-laws have been blessed to be members of for the past few years.

As your new academic counselor, my goals are to provide as much support as possible to ensure your children's success in their learning and help them prepare for their future while holding on to their native heritage and values. I have a Bachelor of Science degree in Elementary Education and a Master's degree in Educational Leadership. I have been in Education for the past 17 years, five of those serving as an elementary school principal. I have worked in private and public school educational systems and overseas for five years in Ukraine and China. It was such an honor to learn and experience other cultures. I have experience in Pre-K through 2nd grades, tutoring, teacher assistance, computer teaching, and substitute teaching. My job is to support students with academic counseling and mentoring, advocacy,

academic skills coaching, college/career prep, skill development, STE(A)M enrichment, Tunica language and cultural enrichment, and educational support to students in grades K-12.

I look forward to meeting and partnering with you all in your children's education!
